THE TEXAS, LOUISIANA AND FLORIDA HURRICANE SURVIVORS

Hurricane Harvey slammed into the Gulf Coast, destroying homes and infrastructure in Texas. Also a state of emergency has been declared for parts of Louisiana as results of Harvey’s heavy rains. The recovery is going to take months and months. In addition, Hurricane Irma (a Cat 5) has left massive destruction in all the islands in the Caribbean and the State of Florida. Samaritan’s Purse volunteers are working in all areas. Their tractor-trailers are stocked with supplies and tools to aid in the cleanup efforts.

GOCC has always worked with Franklin Graham and Samaritan’s Purse in times like this. The Mission Team will be sending \$3,000 to aid in this effort. Please join us today with your loving donation by taking an envelope and writing Hurricane Relief on the front.

GOCC is a loving and generous group and our blessings go out to the people of Texas, Louisiana, Florida and all the islands caught in this massive destruction.
