The Blessings of Spring

by [Deborah Ann Belka](#)

There are many blessings, that each new Spring brings you can see it bloom about and hear the song it sings.

With winters bleakness over, and brighter days ahead comes promises of new life Springtime loves to spread.

As God unfolds the flowers, and their buds begin to show He sends to us the promise His care for us, we will know.

He sends us the robin song, with the promise to provide that under His mighty wing we have a place to hide.

He melts the snowy covers, and sends the refreshing rain sprinkling us with His grace to heal winter's every pain.

God has given to all His Son, to shed upon us a new light and the real blessing of Spring is to keep Jesus in your sight!

Song of Solomon 2:11-12

"For, lo, the winter is past, the rain is over and gone; The flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle is heard in our land;"
