Dear Friends:

We want to thank you for your very generous contribution of \$820.00 to the Prison Book Project.

When we all stand before the Lord, I believe He will reveal the many, many lives you have touched by making it possible for prisoners to come to a saving faith in Him. We at the Prison Book Project say with Paul, "I thank my God in all my remembrance of you." (Phil. 1:3) Studying the Word of God anchors us on the outside of prison walls so just imagine how much more it anchors those who are facing the dark days of incarceration in the nations prisons and jails. Because of your donation, prisoners not only learn about the Anchor but they learn that the Anchor holds!!

The following is a copy of a letter we received from a chaplain at the ladies prison in Ocala, Florida:

*We here would like to take this time and let you all know how much we appreciate your donations over the years. We could never do the things we do for our ladies without the support from our faithful helpers and servants. We thank you all ever so much and pray that you will always be blessed. May your ministry be filled with over flowing of Grace.*

Thank you again for your faithful giving. No goods or services were provided in exchange for this gift. Prison Book Project is a 501c(3) Tax Deductible Ministry. If you would like to view a video about the ministry, you may go to "[vimeo.com/95962117](http://vimeo.com/95962117)" or there is a link on our website at [prisonbookproject.org](http://prisonbookproject.org).

Sincerely,

# PRISON BOOK PROJECT

## Matthew 25:35-36

For I was hungry, and you gave Me *something* to eat; I was thirsty, and you gave Me *something* to drink; I was a stranger, and you invited Me in; naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me.'

Dear Friend,

Prison Book Project is now 21 years old. We have operated with no paid staff since the beginning and still do so.

While labor is free, shipping is not. Neither is facility space. The cost to rent warehouse space is rapidly depleting our "Building Fund Reserve" Without warehouse space, we will not be able to operate. In the last four years we have distributed 1.1 million books. There are 250 tons of books in our warehouse with more arriving daily.

To continue to operate Prison Book Project, we must build our donor base. The number of facilities requesting material is also increasing. We serve more than 2,000 facilities and still have approximately 900 on our waiting list.

If we can get 300 additional contributors to donate \$25.00 a month we will be able to continue to Touch Lives Behind Bars for now.

We need to get these books into the hands that need them. Lives are being changed. 95% of the people incarcerated today will be back on the streets in the future. The Gospel will make the difference. Will you be one of the 300?
