

Every waving flag,
hand-covered heart,
and deeply felt prayer
..... asking God
to bless America

.....
is a declaration of thanks
to all those who have served.
=====

You've shown by example
—— what it truly means ——
to belong to the land of the free
and the home of the brave.

.....

Everytime I think of you, I give thanks to my God.

Reflections from Pastor David

Dear Friends:

As we approach Thanksgiving, I share an old story, but one I think has lasting impact. It's a story of giving thanks to God no matter what is happening in our lives.

Martin Rinkart was a 17th-century Lutheran pastor in the village of Eilenberg, Saxony. He began his ministry during a brutal time in European history called the "Thirty-Years War."

Throughout the war, thousands of people fled to the walled city of Eilenberg, attempting to avoid plague and famine. Still, at one point, so many were dying that Martin Rinkart was doing fifty funerals a day.

We can only imagine how difficult it must have been for Rinkart to be daily surrounded by death, grief, and mourning. Yet, in that very time, he penned one of the greatest Thanksgiving hymns of all time:

*"Now thank we all our God, with heart and hands and voices,
Who wondrous things hath done, in whom this world rejoices;
Who from our mother's arms hath blessed on our way,
With countless gifts of love, and still is ours today."*

Today, no matter what you are facing, you can give God thanks. You can remember His "countless gifts of love" and be convinced that God is still in control of your life.

Happy Thanksgiving!

I

Last month's "Who Am I ?"

DID YOU GUESS?

This brownie scout was a small town (Fulton, MO) girl who loved and excelled at ballet. Always a "looker," her photo was on the cover of a Church Youth magazine before she was out of high school. Both humble, graceful and elegant, several people suggested she pursue a career as a model. Instead, she met a college boy while working as a teller at the local bank near the University of Missouri. She married that boy and dropped the last name "Ward" to become Mrs. Shirley J. Kump. She travelled the world over as a "military spouse," and in the process, Shirley was also a mother of two, the communications director for one of the largest chambers of commerce in the Los Angeles area, a bank teller in a Germany bank, a Retreat Center Director, a youth group sponsor, a grandmother and the wife of a pastor. And, she is proud to point out that she is scheduled to be a Great-grandmother in 2020.

SALUTE TO TGO WOMEN WHO SERVED

GOCC'S Veterans Program on Wednesday, November 6, promises to be exciting and enlightening. While all veterans present will be recognized for their service, the military careers of **TGO's Women Who Served will be highlighted**. The choir will perform and the Honor Roll of TGO Veterans will close the program. Refreshments will follow in Fellowship Hall.

Army veteran, Annie Artis, will serve as the guest speaker. As the Veteran Community Outreach/Minority Veteran Program Coordinator at the Orlando VA Medical Center, she serves six counties across Central Florida and is committed to connecting and educating veterans about their benefits and services.

In addition to honoring women who served, the evening's love offering totally complements the theme. The Executive Director of **Habitat for Humanity Brevard County** is a female veteran with a desire to assist low income female veterans with safe and affordable housing. Her understanding of the unique challenge female veterans face while in the service and when they leave caused her to become actively involved in the local veteran community. The City of Cocoa expressed interest in partnering on a female veteran project. In April, groundbreaking occurred: a community of six single family homes.

The entire love offering will be donated to the project. Checks should be written to Habitat for Humanity Brevard County. On the memo line, please designate **Female Veterans Village**.

Great Outdoors Community Church Legacy Fund

GREAT OUTDOORS COMMUNITY CHURCH . . .

encourages its members to think not only about annual support of the church, but also how we can help maintain the church's ministry in the long term.

Great Outdoors Community Church Legacy Fund is one of the resources given to us by God to serve God and our neighbors. Our fund has been built by the gifts of faithful church members to strengthen the work of the church.

These donors recognized the opportunity to give a gift that keeps giving, because investment returns magnify the impact of original gifts. Just as annual 'stewardship giving' is a chance to return to God a portion of our annual income, contributions to the Legacy Fund provide a means to share the accumulated gifts which God has given us as durable support for the Great Outdoors Community Church.

Types of Contributions

CURRENT GIFTS:

- Cash
- Stocks and bonds
- Real estate
- Life Insurance
- Personal property

DEFERRED GIFTS:

- Bequest (specific, percentage, residuary and contingent)
- Life Insurance
- Retirement Assets
- Charitable Trust - Transfers assets while providing you with an income source

How Legacy Funds May Be Used

Legacy funds are used to support the mission of the Great Outdoors Community Church

These funds can generally be placed in three categories:

- Mission or benevolent-related funds
- Building maintenance and repair funds
- General use (but non-operating) funds

"Bad Girls of the Bible"*

With "Really Bad Girls of the Bible", Liz reveals the power of God's sovereignty in the lives of other shady ladies we know by reputation, but have rarely studied in depth:

- Bathsheba, the bathing beauty
- Jael, the tent-peg-toting warrior princess
- Herodias, the horrible beheader
- Tamar, the widow and not-so-timid temptress
- Athaliah, the deadly daughter of Jezebel

And three ancient women whose names we don't know but who have much to teach us:

- the ashamed Adulteress
- the bewitching Medium of En Dor
- and the Desperate Bleeding Woman

Join us for this 6-week

Beginning January 15th

Books will be available for purchase at

MISSION NOTES - NOVEMBER 2019

Remember to return your Operation Christmas Child Shoe Boxes by November 17th. Please do not put in any liquids, candy, toothpaste or toys that look like weapons. Last year we gave 264 boxes, the year before that was 284. Our goal this year is 300. We can do it!

The week of November 24th we'll set up an **ANGEL TREE**. This year the Angel Tree will be collecting toys/clothing for children in North Brevard for two agencies: North Brevard Charities and a church that is meeting at the Gibson Youth Center.

Coming in late November or early December we will be showing the "Jesus" film that is shown around the world by various missionaries. Look for further information.

What's been happening with our Missions:

Samaritan's Purse: Category 5 Hurricane Dorian devastated the Bahamas wiping out entire towns and wrecking medical facilities. Samaritan's Purse launched an airlift using their DC-8 cargo plane to deploy Emergency Field Hospital and deliver tarps, water filters and other lifesaving supplies. They chartered an ocean-going barge to deliver emergency supplies to Abaco. Nearly 70,000 people live on these islands and most lost their homes. They set up a 40-bed hospital that includes emergency room that can handle 100 patients a day, an operating room where up to 10 surgeries a day can be done, an intensive care unit, a delivery room and a fully stocked pharmacy. Please pray for the people of the Bahamas.

Wycliffe Associates: President and CEO Bruce Smith "My heart is breaking with the latest news out of Cameroon. Tears still fill my eyes thinking about a precious Bible translator in West Africa who was brutally murdered in the middle of the night. He and his wife and several others were dragged out of their house and attacked mercilessly. Terror has ripped through this community and grief hangs heavy in every heart. I can't help but have my mind fill with questions.

What would I say to a grieving wife of a national Bible translator who just watched her husband hacked to death by a group of blood-thirsty men? What would I say to her when she wakes up in a hospital room missing an arm? What would I say to their five kids who no longer have a father and whose mother will not be able to work the family farm? I don't know.

But I do know that this national translator paid the ultimate price. Unflinching in the face of imminent danger, great will be his reward in heaven! Please pray with us! Please join us in prayer for this precious family and the entire community affected by this tragedy. The grief they are experiencing is overwhelming . . . but I have heard that they will not let this stop their Bible translation efforts. In neighboring regions, these brothers and sisters have seen the impact God's Word can have on the hearts of men. The power of Scripture has brought warring communities to reconciliation and peace . . . and let's pray that this will be true in this region as well.

Wycliffe Translators: John and Bonnie Nystrom:

Some of the translators started a "Basic Exegesis" course, learning how to properly interpret Bible passages. Please pray for them in that.

Please pray for our partner Ben Pherson, who is working this week with the Arop translators on their translation of John's gospel.

Normally, that's my job and Ben has plenty of other work to do, so *please pray* that the Lord would help us complete our partnership team so I can focus on translation again.

Stride Ministries - Evans:

Has completed two retreats for his airmen, one was Labor Day Weekend the other Archery Elk Hunting September 4-13th. "My teaching theme for the hunt is Godly Husbands & Fathers. These are our memory verses:

Ephesians 6:4 Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord.

1 Peter 3:7 In the same way, you husbands must give honor to your wives. Treat your wife with understanding as you live together. She may be weaker than you are, but she is your equal partner in God's gift of new life. Treat her as you should so your prayers will not be hindered.

Dan's prayer requests:

Audrey (formerly known as AJ): started High School, tough classes, finding Christian friends in a mostly LDS community.

Strengthening Dan and Erin's marriage, physical and emotional health

Dan's Sleep: a solution to extreme Restless Leg Syndrome. I need sleep!

1/3 of our group moved away this past summer, and we have a new crop of amazing...but fairly new regular attenders. Pray for community, strong Christian leadership, love, and grace.

Pray specifically for both of the above retreats... that people would connect with Jesus!

Perhaps you husbands and Fathers will join us in memorizing those verses! Text/ email me if you do so I can pray for you.

Pioneers - Casey Green: In June Casey started a new position at Pioneer's headquarters in Orlando, FL as a Recruitment Coordinator. "It has been such a fun process learning the behind-the-scenes of a mission organization. The tasks of Recruitment Coordinator includes: engaging with Christians who are interested in learning more about missions, coordinating trips and traveling to conferences, colleges and churches to represent Pioneers, interviewing potential missionary candidates for service in Pioneers and interviewing overseas missionaries to learn about current needs in the field."

October in Review

What a joy it was to have 23 women from the GOCC or their friends, join with over 300 more women from all over Florida, come together to hear Liz Curtis Higgs speak. The weekend was filled with laughter, singing, clapping, praying and at time tears as our hearts were touched in so many ways.

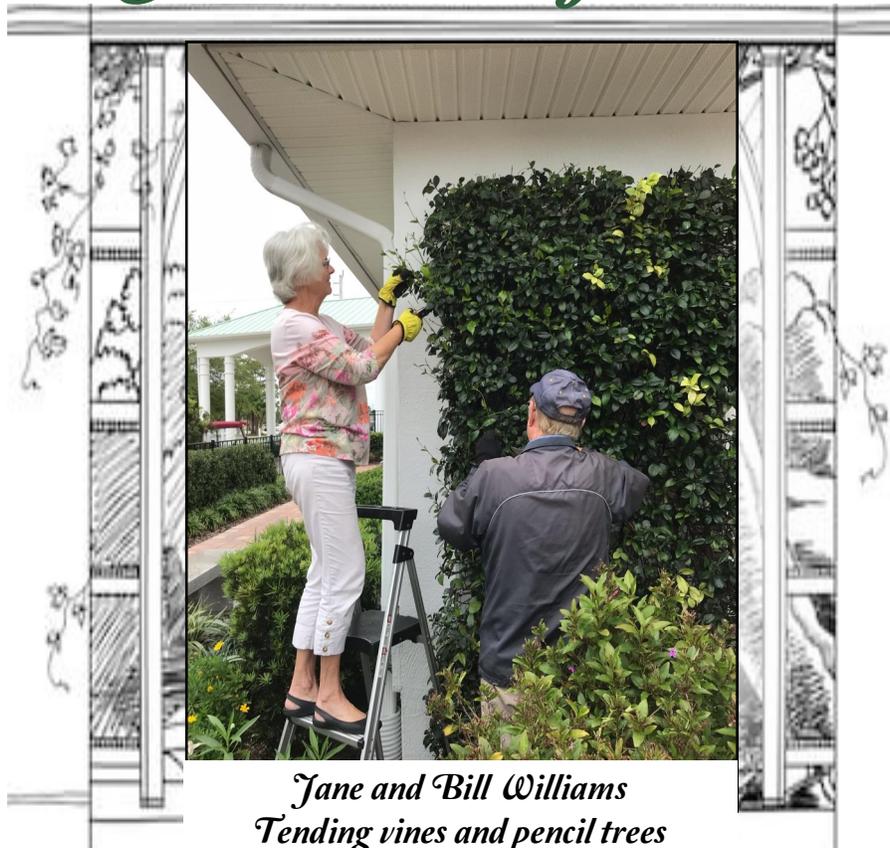

Liz's messages were biblical, encouraging, down-to-earth, and profoundly funny, helping us embrace the truth of God's amazing, unchanging grace.

The conference booklet shared Lake Yale's desires for all attending - and we experienced it all. We were so grateful that God brought all of us women together to share in a weekend of learning, worship, fun and fellowship. We heard the Word of God proclaimed and were touched by the music of gifted musicians. We were drawn into a deeper love for, commitment to, and awe of God Himself. We visited with friends old and new. We were able to take in the beautiful surroundings and enjoy the seminars. Most of all we were able to relax and take a breath from the normal pace of life while, most importantly, allowing God to draw us into a deeper and growing relationship with Him.

Notes:

Lovely ladies and kind gentlemen of TGO Church,
Thank you so much for the lovely cards and kind words you sent to me. They mean so much to me. I am physically well but with Parkinson's Disease we just never know what the next day will bring. It is stealing my voice and my ability to write. My mobility is bad too, but all in all, I'm doing OK.. I really can't complain!

Thanks again Jackie Seaman

Thanksgiving Prayer

by Ralph Waldo Emerson

For each new morning with its light,
For rest and shelter of the night,
For health and food,
For love and friends,
For everything Thy goodness sends.

For flowers that bloom about our feet;
For tender grass, so fresh, so sweet;
For song of bird, and hum of bee;
For all things fair we hear or see,
Father in heaven, we thank Thee!
