Reflections From  
from Pastor David

### “Reflections”

Dear Friends:

As we look back over the months, we recognize that our world and our country have seen significant changes. Covid-19, racially motivated riots, and political conflicts have all added to a sense of insecurity.

Many of us are wondering what the “new normal” is going to look like.

In all of this, I am reminded of what God said to His people during a different time of changes and unrest. He told Israel,

***“I the LORD do not change. So you, the descendants of Jacob, are not destroyed.”***

That's a good word for us right now. Our world changes. Our personal lives change. But God says, *“I the LORD do not change.”* That has ever been the confidence of God's people and it will continue to be our confidence.

As God's people, our future is tied to God and God does not change. Hebrews 13:8 tell us,

**“Jesus Christ is the same yesterday, today, and forever.” The Father is the same way:  
He doesn't change. Who He was yesterday, He will be today and tomorrow.**

As we move forward, some things will continue to change, while some new sense of “normal” will emerge. Whatever that looks like, it's good to know that who God is and what He has promised, will not change.

When we leave 2020 and head into the future, let's keep God's unchanging promises in focus.  
Sincerely,

Dr. David W. Price  
Lead Pastor

**March "Who Am I ?"  
CAM PELLETIER**

My name is Camille (Cam) Pelletier. I was born on January 18, 1922 in Woonsocket Rhode Island. I started working, at a very young age, for my father, a general contractor and eventually I became a skilled carpenter.

In 1942, I joined the US NAVY SEABEES, I was assigned to the 33rd Battalion of about 1,200 men, organized and equipped to build advanced landing strips and field hospitals in forward areas in the Southwest Pacific. We were there 28 months, from Guadalcanal to Peleliu.

While still in the service, and stationed at Davisville, Rhode Island, the original home of the Seabees, I married Rita who became my wife. We were together 65 years before her passing in 2011.

I worked as a carpenter until the age of 27, then after several years in study of architecture and building construction, I took up estimating at Rhode Island School of Design. I worked in the office of a General Contractor for 14 years doing design work and building construction estimator until I started my own building company. I ran my business for 14 years until my retirement at 57 years old, that was in 1980.

Now I live my retirement at TGO. My wife Rita and I came to the TGO in 1989 and had our present house built in 1992.

### ACTIVITIES SUMMARY

- Holiday Church Dinners (Thanksgiving, Christmas & New Year's Eve) have been cancelled
- WIC - November and December luncheons have been cancelled
- WIC - January Flea Market is questionable. A later date may be determined.

# WIC

### **WOMEN IN THE CHURCH**

From: Becky Rock, WIC President

As most of you know, WIC begins each "season" in November. Due to the unfortunate circumstances of the Covid Pandemic, the November and December luncheons have been cancelled. We're hoping to have our first luncheon in January, but time will tell. More information will be available in the December Messenger. Until then. . . stay safe!

### **HOLIDAY CHURCH DINNERS**

From your Church Board:

During this very *unusual year of 2020*, we continue to take precautionary measures in regards to our church activities. Unfortunately, this includes cancelling our traditional upcoming holiday dinners, including Thanksgiving, Christmas and New Year's. We wish all of you happy and safe holidays.

### **FLEA MARKET NEWS** **Date to be determined** 🙌

WIC has secured a storage unit for Flea Market items. These items should be in boxes that can be taped shut and stacked - please call if you need packing boxes. Please note that WIC does not have the capability to pick up any **LARGE** donated items and appreciates all efforts to have these items delivered.

#### **IF YOU HAVE ITEMS TO DONATE OR CAN HELP WITH STORAGE, PLEASE CALL:**

Marilyn Weigel at 321-268-9793

#### **FOR LARGER ITEMS, SUCH AS FURNITURE, PLEASE CONTACT:**

Elsbeth Baumann (973)768-0041 for delivery information.

### **BELL CHALLENGES**

As we enter this period of Covid uncertainty the look of the Bell choir has a different look....less people.

We felt that keeping the bells in the closet was not what God wanted us to do. We worked at setting up Ensembles of 6 people to keep socially distant. These groups face some of the same ringing challenges solo ringers face (each bell is crucial, nerves play a huge role, and timing is critical). We hope you enjoy our new style. Hopefully we will be able to get back to our full complement of ringers shortly.

Blessings,

Nancy Reinish  
Bell Choir Director

### **THE NEED FOR DONATIONS TO THE WALK-ABOUT FOOD PANTRY**

The following are just a few ways to increase our giving to a much needed charity. North Brevard County has a major need for all you can give, including money.

Every time I visit the Walk About Food Pantry, I get a big "THANK YOU" from the attendants, with remarks like, "We don't know what we would do without the kind TGO church involvement."

For the many of you who drop off bags of food in the Narthex, THANK YOU, and please continue to do so. Your thoughtfulness is a Blessing. The door may be locked, please just knock, staff are in the office.

### **VACATIONING OR LEAVING FOR THE HOLIDAYS?**

If you have left over food remaining in your refrigerator (frozen or not; dry foods: open or not) and prefer not to take it with you, we urge you to consider donating it to the Walk About food pantry. These donations can be picked up on any Tuesday, Wednesday or Thursday morning by calling Bill Shaw at 215-450-5900.

### **SHOPPING:**

If or when you are shopping at one of the local markets or a big box store, please consider:

- ⇒ When buying BOGO (Buy1/Get 1), donate the "free" one as a Walk About donation
- ⇒ Purchasing a case lot dry food as your monthly donation

### **WEARABLE CLOTHING:**

A big need! Before disposing of your out-of-date, too big, too small items, please consider giving them a "second life" - donate them to help Walk About Ministries

Please keep your contributions coming.

GOD BLESS all of you and thank you again for your generous donations. We are helping people who have basically nothing.

Thank you all -

## STRIDE MINISTRIES

Stride is a ministry supporting the airmen at Hill Air Force Base in Utah. It provides support and counselling for airmen and their families. It seeks to build a more spiritual life and incorporate Christ as a part of their lives. Through the efforts of STRIDE, relationships are developed to promote Christ as a center of the lives of the base's airmen. The ministry provides direct spiritual guidance, activities to develop relationships and religious counselling in the lives of the airmen.

### **YOU ARE APPRECIATED!**

Thank you so much, and

## “Pioneer” Casey Green

Our missionary with PIONEERS, Casey Green, is currently serving in this season as a Missions Mobilizer. In the world of Christian missions, mobilization is the preparation and organization done to move potential missionaries into active service on the field. In her role as a Recruitment Coordinator, her tasks include:

- engaging with Christians who are interested in learning more about missions,
- coordinating trips and then traveling to conferences, colleges, and churches to represent *Pioneers*,
- speaking on the current state of world evangelization, raising awareness about unreached people groups, interviewing potential missionary candidates for service with *Pioneers*,
- and interviewing overseas missionaries to learn about current needs on the field.

Casey's greatest passion is reaching the unreached for Christ, and she is enjoying this season of sharing this passion with others. She is eagerly awaiting her own opportunity to serve on the overseas mission field in India, as soon as the Lord wills. But Casey realizes the incredible opportunity she has now to mobilize many people to the mission field, thus reaching far more than she ever could on her own. Her goal is to mobilize 100 missionaries; please pray for her continued joy and perseverance as she seeks to make the most of this season as a mobilizer.

Casey is currently planning and hoping to be able to visit India on a vision trip in Summer 2020. Please pray for wisdom, guidance, and open doors, especially in light of current uncertainty with Coronavirus.

### Meet Dick Harleman GOCC Choir Director

Richard "Dick" Harleman and wife Candace hail from Lehigh, Pennsylvania. They recently celebrated their 50th wedding anniversary and have 4 children and 2 grandchildren.

Dick is a retired pharmacist having operated his own pharmacy for 23 years then working for several chain pharmacies as a relief pharmacist.

Growing up, Dick studied piano privately and later received instruction on the pipe organ through his relationship with the Evangelical Congregation Church. At his home church, he taught an adult Sunday School class, held various church offices and did guest preaching there and at several Methodist churches. Musically he sang in the choir and served as church pianist. When the choir director became ill, he stepped into the position, which he held for 15 more years.

Civically, Dick is proud to be an Eagle Scout, member of Kiwanis International, a Certified High School Basketball Official and to have served two terms as President of the Lehigh Area School District Board of Education.

Dick and Candy enjoy spending half the year here at TGO playing golf. Dick also enjoys fishing and most of all camping with his grandchildren.

Our lovely church – all decked out for the Fall!

# May

"On Monday, May 4 the Solaris Senior Center staff held a parade for their residents.

Several in the congregation at GOCC turned out to salute one of our own; Dusty McDaniel who lives at Solaris.

There were probably 75 - 100 autos who drove through the parking lot where a number of residents, including Dusty, were waiting to see their friends and family drive by.

There were convertibles, historic and restored vehicles and regular, decorated street vehicles. Some drivers and passengers and Solaris residents had hats and were holding balloons, some of the residents were in wheelchairs, others with huge sunglasses - all with big smiles. The residents waved as the visitors in the parade drove in a circle around the parking lot where the residents were waiting.

The Sheriff's Department was there in force to direct traffic and help get the parade organized for the complete enjoyment of residents, staff and parade participants - all while maintaining a safe flow of traffic on surrounding streets.

The staff of Solaris has worked hard to keep residents like Dusty safe, healthy and happy in their "shelter in place" conditions. This parade gave family, friends and loved ones opportunity to help in that effort."

# Notes to the Church:

A SPECIAL NOTE OF THANKS FOR ANSWERED PRAYERS

Phil Carlson on February 16<sup>th</sup>, 2020

My entire family would like to thank all the members of the Great Outdoors Community Church for their prayers for my husband Phil during this incredibly difficult time. As many of you are aware, Phil had a freak accident on Sunday night February 16<sup>th</sup> in Charlotte, NC. When we arrived at the Emergency Room, Phil was paralyzed from the neck down. On Monday February 17<sup>th</sup>, Phil had undergone spinal surgery that involved the C3 through C6 vertebrae.

Although we have incredible faith, and our surgeon was pleased with the outcome, he told us this would be a long road, and that only time would tell the extent of damage, and that it was impossible to know when (or if) he might regain use, or have feeling in his limbs. Many of you know the excellent shape Phil is in after years of working out in his career as a Law Enforcement Officer (retired). The doctors said this would be in his favor, but they could not make any promises. Thankfully we know the Great Physician: ***“For I know the plans I have for you declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future.”*** Jeremiah 29:11.

Phil later shared with us, that as he laid paralyzed in the ditch waiting for the ambulance he repeated over and over ***“Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.”*** Joshua 1:9.

Thankfully, my Mom Lorraine Murphy, my sister and brother-in-law Lorrie & Tony DelMonte, and my Aunt Barbara Iwanicki made sure that the amazing Prayer Warriors of The Great Outdoors were informed. We were all overwhelmed by the outpouring of prayers, love, comfort and healing sent our way. A special thank you for the unceasing prayers from Sue & Dave Kalkman, Pat Hopper, Connie & Ray Lee, Fields & Maggie Young, and the members of the Church Choir.

I am grateful to God to report, that Phil not only amazed the doctors with his progress, but Phil was able to leave the hospital walking on his own, Friday March 13<sup>th</sup> and he will continue outpatient rehabilitation. We ask continued prayers for normal muscular and nerve function to return. We truly feel that Phil's recovery so far is nothing short of a "Miracle". Thank you from the bottom of our hearts.

Phil, Paula, Jimmy and Christopher

What a blessing! Thank you and your church family so much from the bottom of my heart! We so appreciate what everyone has done to help us and this will be a major help to our finances during this time. Also, I received the lovely card from your church family and that means a lot to me.

**1 THESSALONIAN 4:13-18** Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. According to the Lord's word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage one another with these words.
