Valleys ... they are beautiful when you view them from the comfortable seat of a motor home or a motorcycle.

Spiritual valleys are not always so pleasant. We all face them sooner or later: Unexpected problems, health issues, financial difficulties, family challenges, or the loss of a loved one.

Throughout our lifetime we probably face more valleys than mountaintops. The real question is not "Are we going to go through some valleys" but "What can I know for sure when I face them?"

Beginning Sunday March 16th we are going to do a new sermon series called, "The God Of The Valleys".

We are going to look at five different valleys that people in the Old Testament faced. We will see what challenges they met and how God helped them deal with them.

Here are the titles for this new series:

The God of The Valleys – Not Just The Mountaintops

The Valley of Giants

The Valley of Weeping

The Valley of Crisis

The Valley of The Shadow Of Death

This sermon series will take us right up to Easter Sunday. You won't want to miss a single one of these messages. They will encourage you, help you embrace faith, and assure you of God's control over your world.

PRISON BOOK MINISTRY - Ray Hall

This year, we have received more than 9,000 letters from inmates and chaplains. Every letter was read and evaluated. These letters are a valuable part of the analysis of our job performance and planning of the future. They also tell us that there are thousands of men and women behind bars who have a desire to change their lives and know that Jesus is the way. They are hungry and we are feeding them as fast as resources will allow. With your help, this past year we were able to distribute nearly 310,147 books.

***Currently Missions Contributes \$300.00 monthly to Prison Book Ministry,
We encourage you to consider an extra personal donation!!!!***

So many hardships came at us this past year that giving up would have been the easiest course to take. We were able to stay motivated because we knew that those folks behind bars had it worse than we did. We were also able to keep going, because we knew that you were counting on us to deliver the WORD to the needy and feed the hungry SOULS were touched and lives were changed. **We could not have done it without you!**

Thank you for your support and trust. We have tried to use your dollars wisely and effectively. We have lost our "free warehouse" and will impose additional difficulties in 2014. Your extra support now will be greatly needed.

A Special Thank You to the Many "Stampers" of Books on Wednesday Mornings!

BIBLE TRANSLATION ACCELERATION KIT

Currently we have anonymous donations in excess of \$3,500 towards the purchase of kit, total funds required \$3,976.

Wycliffe Associates, an international organization that involves people in the efforts of Bible translation. The kit allows national Bible translators to communicate and share files with consultants thousands of miles away, thereby eliminating delays caused by unreliable electricity and travel time.

PLEASE CONSIDER A DONATION FOR THIS WORTHY CAUSE
