

This year, we encourage every woman to embrace the journey of spiritual growth:

- **Rooted**—developing a firm foundation in God’s truth through prayer, worship, and study of His Word.
- **Built Up**—encouraging one another, growing stronger in faith, and allowing God to shape and mature us for His purpose.
- **Overflowing with Thanksgiving**—cultivating hearts of gratitude that reflect the love and faithfulness of God in every season of life.

Women In the Church

Mission

The mission of this organization shall be to aid growth in the knowledge of God, to adhere to the beliefs and goals of the Great Outdoors Community Church; to nourish the participants' spiritual life through devotions, prayer, bible studies and related programs; to develop a warm Christian Fellowship, and to promote service to others and evangelistic outreach locally and nationally.

Dear Ladies in Christ,

Welcome to the 2026-2027 Women in the Church season! We are filled with joy and expectation as we begin another year of fellowship, spiritual growth, and service. This season's theme is inspired by Colossians 2:6-7:

"Therefore, as you received Christ Jesus the Lord, so walk in Him, rooted and built up in Him and established in the faith, just as you were taught, overflowing with thanksgiving."

Our theme, "Rooted, Built Up and Overflowing with Thanksgiving," reminds us of the importance of staying firmly grounded in Christ. God calls us to deepen our roots in His Word, strengthen our faith through fellowship and discipleship, and live lives that overflow with gratitude for His goodness and grace.

Whether you are joining us for the first time or are a longtime member, know that you are welcome. Together, we will walk boldly in faith, support one another in love, and continue growing into the women God has called us to be.

We look forward to all that God will do in and through us during this exciting new season.

Overflowing with Thanksgiving,
Sally MacNevin, President 2026-2027
